*Seriously, if you're registering **more than 16 players** think about registering a **second team** or some players will be disappointed. Please ensure that you sign up players that are going to turn out week on week as teams dropping out of a section spoils the rest of the season for those committed to play.*

You must return this completed form with LEGIBLE details (so that names can be correctly registered in the online scoring system and on winning plaques and trophies!) AND with signatures and all details completed along with the appropriate team and player fees.

*Please fill in correct and legible **contact information** so that we can keep in touch and put team secretaries in touch with each other.*

**ALL REGISTRATION FORMS MUST BE RETURNED
ON REGISTRATION NIGHT !**
