This draw was made by Brian Clapton and Tony Barrett. We will start this competition on the 12th of December at 7-45 prompt. The times are approximate and everyone should get themselves here in good time. There will be no compensating throws so if you want a practice throw you need to do so before 7-45. If we can get these 15 games played it means everyone will get a game on the night. There may be time to play other games if some pairs don't turn up on the night but whatever happens we will stop playing at about 9-40 in order to do the Xmas raffle – and yes I will be making a p**t of myself again.

Regards

Tosh
