This draw was made by Brian Clapton & Paul Stone. We will start this competition on 21st of November and we should be able to play all prelims and game 2 in the first round ensuring everyone gets to play. Any team not turning up on the night will be scrubbed from the competition and not allowed back in for the 2nd night of matches as this as caused to many problems in the past. We could play other matches tonight if there is time and if anyone can be a***d to hang around to find out. Good luck to all.

Regards

Tosh
